Child Protection Declaration

The *Commission for Children and Young People Act 1998* makes it an offence for a prohibited person (a person convicted of a serious sex offence, the murder of a child or a child-related personal violence offence, as well as a Registrable person under the *Child Protection (Offenders Registration) Act 2000*) to apply for or otherwise attempt to obtain, undertake or remain in, child-related employment whether paid or voluntary.

It does not apply if an order from the Industrial Relations Commission, Administrative Decisions Tribunal or Commission for Children and Young People, declares that the Act does not apply to a person in respect of a specific offence.

Section 33B of the *Commission for Children and Young People Act 1998* defines a serious sex offence as:

- an offence, involving sexual activity or acts of indecency, committed in New South Wales and that was punishable by penal servitude or imprisonment for 12 months or more; or
- an offence, involving sexual activity or acts of indecency, committed elsewhere and that would have been an offence punishable by penal servitude or imprisonment for 12 months or more, if it had been committed in New South Wales; or
- an offence under section 80D or 80E (sexual servitude) of the *Crimes Act 1900*, committed against a child; or
- an offence under Sections 91D-91G (child prostitution, other than if committed by a child prostitute) of the *Crimes Act 1900* or a similar offence under a law other than a law of New South Wales; or
- an offence under Section 91H, 578B or 578C (2A) (child pornography) of the *Crimes Act 1900* or a similar offence under a law other than a law of New South Wales; or
- an offence of attempting, or of conspiracy or incitement, to commit an offence referred to in the preceding paragraphs; or
- any other offence, whether under the law of New South Wales or elsewhere, prescribed by the regulations.

NOTE: A conviction for carnal knowledge is classified as a serious sex offence under this legislation.

Section 33B of the *Commission for Children and Young People Act 1998* defines a child-related personal violence offence as an offence committed by an adult:

- involving intentionally wounding or causing grievous bodily harm to a child; or
- of attempting, or of conspiracy or incitement, to commit such an offence.

Under *Commission for Children and Young People Act 1998*:

- it is an offence for a prohibited person to apply for or otherwise attempt to obtain, undertake or remain in child related employment;
- employers must ask existing employees, both paid and unpaid, and preferred applicants for child-related employment to declare if they are a prohibited person or not;
- all people in child-related employment must inform their employers if they are a prohibited person or remove themselves from child-related employment; and
- penalties are imposed for non compliance.

I am aware that I am ineligible to apply for or otherwise attempt to obtain, undertake or remain in, child-related employment if I have been convicted of a serious sex offence or child-related personal violence offence as defined in the *Commission for Children and Young People Act 1998*, or if I am a Registrable Person under the *Child Protection (Offenders Registration) Act 2000*.

I have read and understood the above information in relation to the *Commission for Children and Young People Act 1998*. I am aware that it is an offence to make a false statement on this form. I consent to a check of my relevant criminal records, to verify the statements I have made here, being undertaken by the NSW Commission for Children and Young People for monitoring and auditing purposes in accordance with Section 36 (1)(f) of the *Commission for Children and Young People Act 1998*.

I declare that I am not a person prohibited by the Act from seeking, obtaining, undertaking or remaining in child related employment.

Parent Information Sheet

Welcome to Narrabeen Lakes Sailing Club!

The care and enjoyment of your child, especially on the water, is a priority for the sailing club. We adhere to Government Child Protection requirements and all adult members must sign a Child Protection Declaration (Document C).

On the water, a rescue boat will be present on the water during all race events.

The AYF Addendum A 2.(c) states “When senior members are in the boat with a child, priority is placed on the child’s safety in the event of an accident”.

All junior members must be able to swim. When sailing, we require all children to be attired in appropriate and safe gear including:

- a life jacket (PFD Type 2)
- sun protection (hat and sun screen)
- sailing footwear

It is a club requirement that any child membership must be accompanied by an adult membership. Parents are required to complete a:

- Member Information Sheet – Adult (Document A) for each parent.
- Member Information Sheet - Junior (Document B) for each child.
- Child protection Declaration (Document C) for each adult.

Parents have the responsibility for the supervision and care of their children at all times.

Please ensure the safety of your child by being vigilant about your child’s activities and behaviour near the boat rigging area, clubhouse area and in and around the water.

If you are leaving your child, you need to hand them over to a specified adult, e.g. the skipper of the boat your child will sail with, and arrange your time of return.

If you have any questions or concerns regarding the safety of your child, please do not hesitate to speak with Joy Gough, the NLSC Child Protection Officer.
